Mondelez Delays postcard: print at home

Print both pages on one sheet: double-sided, flip on long edge, at 100% (actual size).
Thick paper or card works best. Then cut along the marks: you get two postcards.

Write your message on the back and post it in an envelope with a stamp.
Addresses: mondelezdelays.com (Send Mondelez a postcard).

Mondelēz pledged cage-free by 2025, but has since delayed it and left out key Asian markets.

What would you say to them today?
